

"LAST CHANCE TO PRAY"

What if today was your last chance to pray?
What if today you were called away?
When you stand before God at Heavens gate,
Will he say enter in, or
You've waited to late...

What if today was your last chance to pray?
Can you say, "Lord here am I," or will you
Bow your head and cry? When the book of life
Is opened, will your name be read, or will God
Simply turn his head? Will you say, "Lord,
I meant to pray, but I always thought there
Would be another day...

What if today was your last chance to pray?
Will your sins all be washed away, or will your
Debt be to great to pay? Will you receive a
Crown of gold, or
Has your heart grown cold...

What if today was your last chance to pray?
Will Heaven be your eternal home, or is Hell
Where you're destined to roam? Sinner don't
Wait to repent, because today could be your

Last chance to pray...
