CHURCH NOW AND THEN

Church used to be everyone come to the choir. Now it's a praise team.

People used to feel free to testify of the good things of God. Now that's not in our plans.

People used to be faithful to church every service, now they only come on Sunday morning. . .

People would pack the altar for prayer and cry out to God, now the altar is empty. . .

Preacher's used to read, study and

pray for the message.

Many today read the internet and study how to deliver someone else's message.

Church music was part of the worship experience.

Now it's so loud and has become the focal point.

The church used to pray for God to send them a pastor.

Now it's a beauty contest. We know him and he would fit in

nicely. Caring less if they even meet the biblical qualifications.

Church used to have the Holy Ghost leading the services.

Now we have emotions leading the church.

Let's seek out the old paths and walk in them AGAIN!!

CHURCH we need to be CHRIST centered and following the leadership of the HOLY GHOST.

When I am alone,
God is my comforter
When I am nothing,
God is my everything.
When I am sad and lonely,
God is my song and my joy.
When I am weak and helpless,
God is my strength.
Amen

Merry   *Christmas*

THE TRAIN

At birth we boarded the train and met our parents, and we believe they will always travel by our side. As time goes by, other people will board the train; and they will be significant i.e. our siblings, friends, children, strangers and even the love of your life.

sists of having a good relationship with all passengers requiring that we give the best of ourselves.

The mystery to everyone is: We do not know at which station we ourselves will step down.

So, we must live in the best way,

love, forgive, and offer the best of who we are. It is important to do this because when the time comes for us to step down and leave our seat empty we should leave behind beautiful memories for those who will continue to travel on the train of life.

However, at some station our parents will step down from the train, leaving us on this journey alone. Others will step down over time and leave a permanent vacuum. Some, however, will go so unnoticed that we don't realize they vacated their seats. This train ride will be full of joy, sorrow, fantasy, expectations, hellos, goodbyes, and farewells. Success con-

I wish you a joyful journey for the coming years on your train of life. Reap success, give lots of love and be happy. More importantly thank God for the journey!

Lastly, I want to thank you for being one of the passengers on my train!

**As long as we have
memories, *yesterday*
remains. As long as we
have hope, *tomorrow*
waits. As long as we have
love, *today is beautiful*.
As long as you have
God, *anything and*
everything is possible.
*Amen.***

SHIPS don't sink because of the WATER
around them.

SHIPS sink because of the WATER that get
IN them!

Don't let what's happening around you get
inside you and weigh you down.

QUARANTINE IS IN THE BIBLE

ISAIAH 26:20

Come, my people, enter thou into thy cham-
bers, and shut thy doors about thee: hide thy-
self as it were for a little moment, until the
indignation be overpast.

While You're
Sanitizing And Wiping
Everything Down, Be
Sure To Wipe Hatred
Out Of Your Heart
That's A Virus, Too.
