YOU'RE ONE OF GOD'S CHILDREN

A seminary professor was vacationing with his wife in Gatlinburg, TN. One morning, they were eating breakfast at a little restaurant, hoping to enjoy a quiet, family meal. While they were waiting for their food, they noticed a distinguished looking, white-haired man moving from table to table, visiting with the guest. The professor leaned over and whispered to his wife, 'I hope he doesn't come over here.' But sure enough, the man did come over to their table.

'Where are you folks from?' he asked in a friendly voice.

'Oklahoma,' they answered. 'Great to have you here in Tennessee,' the stranger said... 'What do you do for a living?'

'I teach at a seminary,' he replied. 'Oh, so you teach preachers how to preach, do you? Well, I've got a really great story for you.' And with that, the gentleman pulled up a chair

and sat down with the couple. The professor groaned and thought to himself, 'Great ... Just what I need ...another preacher story!' The man started, 'See that mountain over there? (pointing out the restaurant window). Not far from the base of that mountain, there was a boy born to an unwed mother. He had a hard time growing up, because every place he went, he was always asked the same question, 'Hey boy, who's your daddy?'

Whether he was at school, in the grocery store or drug store, people would ask the same question, 'Who's your daddy?'

He would hide at recess and lunch time from other students. He would avoid going in to stores because that question hurt him so bad. 'When he was about 12 years old, a new preacher came to his church. He would always go in late and slip out early to avoid hearing the question,

'Who's your daddy?'

But one day, the new preacher said the benediction so fast that he got caught and had to walk out with the crowd. Just about the time he got to the back door, the new preacher, not knowing anything about him, put his hand on his shoulder and asked him, 'Son, who's your daddy?'

The whole church got deathly quiet. He could feel every eye in the church looking at him. Now everyone would finally know the answer to the question, 'Who's your daddy?'

'This new preacher, though, sensed the situation around him and using discernment that only the Holy Spirit could give, said the following to that scared little boy.. 'Wait a minute! I know who you are! I see the family resemblance now, You are a child of God.'

With that he patted the boy on his shoulder and said, 'Boy, you've

got a great inheritance. Go and claim it.'

'With that, the boy smiled for the first time in a long time and walked out the door a changed person. He was never the same again. Whenever anybody asked him, 'Who's your daddy?' he'd just tell them, 'I'm a child of God.'

The distinguished gentleman got up from the table and said, 'Isn't that a great story?'

The professor responded that it

really was a great story!'

As the man turned to leave, he said, 'You know, if that new preacher hadn't told me that I was one of God's children, I probably never would have amounted to anything!' And he walked away..

The seminary professor and his wife were stunned. He called the waitress over and asked her, 'Do you know who that man was—the one who just left that was sitting at our table?'

The waitress grinned and said,

'Of course. Everybody here knows him. That's Ben Hooper. He's governor of Tennessee!'

Someone in your life today needs a reminder that they're one of God's children!

'The grass withereth, the flowers fadeth: but the word of our God shall stand for ever.'

Isaiah 40:8

YOU'RE ONE OF GOD'S CHILDREN!!!

Everything

happens for a reason.
Some times it hurts.
Sometimes it's hard.
But in the end, it's all
for the best. Never stop
trusting God and the
Divine plan. Amen

It's crazy how the presence of God can completely change your mood and attitude in an instant. One worship song, one whispered prayer, one scripture verse can take you from the absolute worst mind set to a place of such peace and joy. There's nothing like the presence of God.

Many people reject Jesus
Because of bad experiences with
RELIGIOUS PEOPLE

But, here's the thing...
Jesus had a bad experience with
Religious people, too.
IN FACT, THEY KILLED HIM.

People will let you down.
JESUS WON'T.

READ AND BE BLESSED

Dr. Ben Carson (Retired world renowned neurosurgeon and Republican Presidential Aspirant) wrote this beautiful piece.)

Read and be blessed:

Sometimes you are unsatisfied with your life, while many people in this world are dreaming of living your life.

A child on a farm sees a plane fly overhead and dreams of flying. But, a pilot on the plane sees the farmhouse and dreams of returning home. That's life! Enjoy yours. If wealth is the se-

cret to happiness, then the rich should be dancing on the streets .

But only poor kids do that.

If power ensures security, then officials should walk unguarded. But those who live simply, sleep soundly.

If beauty and fame bring ideal relationships, then celebrities should have the best marriages. But those who live simply, walk humbly and love genuinely! All good will come back to you!! Man asks, where was God when Myles Munroe, wife and his as-

sociates were killed in a crash? He answers, "The same place I sat when John the Baptist my servant was beheaded. When Stephen my servant was stoned to death When Paul my servant was murdered in Rome. The same place I sat when my only Son was brutally crucified, wounded, bruised and killed. I have not moved from my position."

I am the same. It is not the means of exit from earth that matters but the destination. Live simply. It's all about God!!

"Your scars may be proof that you had a past. Jesus' scars are proof you have a future!"

HOW TO ACCEPT JESUS

For God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life.

John 3:16

If you confess with your mouth that Jesus is Lord, and believe in your heart that God has raised Him from the dead, you will be saved.

Romans 10: 9

PRAY THIS PRAYER:

Dear Jesus. I am a sinner. I believe that You died and rose from the dead to save me from my sins. I want to be with You in heaven forever. Jesus forgive me of all sins that I have committed against You. I open my heart to You now and ask You to come into my heart as my personal Lord and Savior

In Jesus name.

Amen.

LORD HOLD MY HAND

One day a man was crossing a bridge in life but was scared so turned and asked God, "Can I hold your hand so I may not fall?" God said, "No, my child, I will hold your hand." He asked, "What is the difference?" God replied, "If you hold my hand and something happens, you might let go but if I hold your hand, no matter what happens, I will never let you go." May the

Lord hold your hand tightly in all your ways.

CHOOSE THOSE YOU ARE WITH

One of the reasons I believe Jesus chose fishermen to be His disciples was because they had a skill set that would help them to "become fishers of men."

He didn't go to the temple, He didn't go to the lawyers, He didn't choose the religious leaders of that day. He chose fishermen, common, hardworking,

rough cut fishermen.

In Mark 1:19 Jesus sees James and John "mending their nets." If there was one thing Jesus knew it was that they would encounter many BROKEN people on their journey. People who were outsiders, people who were sick, people who had been told you're too broken to fix.

Choose your friends. Choose who you allow into your life. Choose those who can help you mend the brokenness in your life. Choose who have the same desire to minister to broken people.

" He healeth the broken in heart, and bindeth up their wounds."
