## LOVE YOUR MOTHER

The fate of a mother is to wait for her children. You wait for them when you're pregnant. You wait for them when they get out of school. You wait for them to get home after a night out. You wait on them when they start their own life. You wait on them to get home from work to

come home for a nice dinner. You wait for them with love, with anxiety and sometimes with anger that passes immediately when you see them and you can hug them.

Make sure your old mom doesn't have to wait any longer.

Visit her, love her, hug the one who loved you like no one else ever will. Don't make her wait, she's expecting this from you.

Because the membranes get old but the heart of a mother never gets old. Love her as you can. No person will love you like your mother will.

When storms come your way, just remember you know the master of the wind. When sickness finds you, remind yourself you know the great Physician. When your heart breaks, just say, "I know the potter."  
It doesn't matter what we face or go through. JESUS is the way. He is everything we need.

### WHEN GOD CREATED WOMAN

When God created woman he was working late on the 6th day.

An angel came by and asked, "Why spend so much time on her?"

The Lord answered, "Have you seen all the specifications I have to meet to shape her?"

She must function in all kinds of situations.

She must be able to embrace several kids at the same time

Have a hug that can heal anything from a bruised knee to a broken heart. She must do all this with only two hands.

She cures herself when sick and can work 18 hour a day."

The angel was impressed, "Just two hands....impossible!

And is this the standard model?"

The angel came closer and touched the woman.

"But you have made her so soft Lord-She is soft," said the Lord, "But I have made her strong. You can't imagine what she can endure and overcome."

"Can she think?" The angel asked.The Lord answered, "Not only can she think, she can negotiate."

The angel touched her cheeks."Lord it seems this creation is leaking! You have put too many burdens on her."

"She is not leaking....it is a tear " the Lord corrected the angel.

"What's it for?" Asked the angel.

The Lord said , "Tears are her way of expressing her grief, her doubts, her love, her loneliness, her suffering and her pride.

This made a big impression on the

angel, "Lord, you are a genius. You thought of everything. A woman is indeed marvelous!" the Lord said , "indeed she is. She has strength that amazes a man. She can handle trouble and carry heavy burdens. She holds happiness, love and opinions. She smiles when she feels like screaming. She sings when she feels like crying. Cries when happy and laughs when afraid.

She fights for what she believes in.

Her love is unconditional.

Her heart is broken when a next of kin or a friend dies but she finds strength to get on with life."

The angel asked: "So she is a perfect being?"

The Lord replied, "No. She has just one drawback....she often forgets what she's worth.

*We can't always choose the music life plays for us, but we can choose how we dance to it.*

### PRAYERS FOR HEALING

When you pray for someone to be healed but the opposite happens, you sometimes wonder if your prayer wasn't good enough or if you aren't righteous enough or your faith tank is too low. Other times you wonder why some people get that wow-God, triumphant miracle story while you sit there still praying, still waiting, changing up the words you pray to find that perfect key fit to unlock the miracle. When it comes to God healing or choosing not to heal, I know the right answer in my brain, but my heart doesn't get it and keeps

asking, 'why?'

One day while I was pondering that, a very wise friend said this and in fell swoop, called a truce between my head and my heart. Here's what she said about God sometimes choosing not to heal:

"Wait what? God doesn't always heal? I disagree! Prayers for healing are the safest prayers we can pray because God always says 'yes.' Now let's define 'yes.' If He heals you here, your healing is temporary. It's still good and amazing, but it will not last forever. You will get sick again.

You will die. I've never met a 2,000 year old Christian! But if it releases you from your mortal body, and heals you in THAT way, then, you are healed forever! No more sickness, no more pain, no more tears. The problem isn't sometimes God heals and sometimes He doesn't, the problem is , we've begun to cherish 'temporary healing' over 'eternal healing' so much so, we now dismiss eternal healing as any type of healing at all."

I hope that helps you as much as it did me.

### HOW BIG IS GOD

A boy asked his Father: Dad what is the size of GOD?

Then the Father looked up at the Sky and saw a plane and asked his son, what is the size of this plane?

The boy replied, it is very small. I can hardly see it. Then, the Father took him to the airport and as they approached a plane, he asked ...now , my son, how big is this plane? The boy replied, wow dad, it's huge!

Then the father told him, GOD's size depends on how close or far you are to him. The closer you are to Him, the Greater and Greater He will be in your life!

Where there is love,  
there is life, Where  
there is life, there  
is hope. Where there  
is hope, there is faith.  
Where there is faith,  
miracles happen.  
Where there is peace,  
there is God. And  
when you have God,  
you have everything.

AMEN

You are not too dirty  
for God to cleanse.  
You are not too broken  
for God to fix.  
You are not too far  
for God to reach.  
You are not too guilty  
for God to forgive.  
And you are not  
too worthless  
for God to love.

You may have been born in church, baptized in church, served in church, could have married in church, died in church and still end up in hell, because you were only in the church and not in Christ.

It is necessary to be born again, take up our cross and follow Jesus. Many have religion, but have no relation with the living God!

EVERYONE WELCOME

WAS IT A BAD DAY?  
OR WAS IT A BAD FIVE  
MINUTES THAT YOU  
MILKED ALL DAY?

There is  
**NO STORM** that God  
won't carry you  
through  
**NO BRIDGE** that God  
won't help you cross,  
**NO BATTLE** that God  
won't help you win.

*trust* God  
and Never give up.

*Why is hell so awful? One, it was created for satan and his demons. Secondly, because people don't realize that hell is the absence of God.*

*There's no air in hell...because God is the breath of life.  
There is no peace in hell...because God is the prince of peace.  
There is no comfort in hell ...because God is the comforter.  
There is no love in hell....because God is love.  
Hell is darkness.... because God is the light.*

*You don't have to go there!*

*But there is only one way to escape it, and that is through salvation in the name of Jesus Christ.*

**I admire people who  
choose to shine even after  
all the storms they've  
been through.**
