## COWS DON'T GIVE MILK

A father used to say to his children when they were young: When you all reach the age of 12 I will tell you the secret of life. One day when the oldest turned 12, he anxiously asked his father what was the secret of life. The father replied that he was going to tell him, but that he should not reveal it to his brothers.

The secret of life is this: The cow does not give milk. "What are you saying?" Asked the boy incredulously. As you hear it son: The cow does not give milk, you have to milk it. You have to, get up at 4 in the morning, go to

the field, walk through the corral full of manure, tie the tail, hobble the legs of the cow, sit on the stool, place the bucket and do the work yourself.

That is the secret of life, the cow does not give milk. You milk her or you don't get milk. There is this generation that thinks cows GIVE milk. That things are automatic and free: their mentality is that if "*I wish, I ask. . . I obtain.*"

"They have been accustomed to get whatever they want the easy way. . . But no, life is not a matter of

wishing, asking and obtaining. The things that one receives are the effort of what one does. Happiness is the result of effort. Lack of effort creates frustration,"

So, share with your children from a young age the secret of life, so they don't grow up with the mentality that the government, their parents, or their cute little faces is going to give them everything they need in life. You have to work for what you want.

Remember: "Cows don't give milk you have to work for it."

People are not beautiful for the way they look, walk or talk.

They are beautiful by the way they love, care and treat others!

## HE IS IN A BETTER PLACE NOW

That statement does not apply to everyone who dies.

Tell people the TRUTH if you love them. Everybody does not go to heaven. Everybody is not resting in peace. A lot of folks are in hell because they did not repent and receive Jesus Christ as their Lord and Savior when they were

alive. The Bible says there is no peace for the wicked. (Isaiah 48:22)..

Yes Hell is Real and people go there everyday.

We can REST IN PEACE when we die, if we:

REPENT and turn back to GOD.

RECEIVE JESUS

CHRIST as our personal LORD and SAVIOR.

BELIEVE on His DEATH on the cross and on HIS RESURRECTION.

Ephesians 2:8

For by grace are ye saved through faith; and that not of yourselves; it is the gift of God.

## LET THEM

Just let them. If they want to choose something or someone over you. LET THEM.

If they want to go weeks without talking to you. LET THEM.

If they are ok with never seeing you, LET THEM

If they are okay with always putting themselves first. LET THEM.

If they are showing you who they are and not what you perceived them to be, LET THEM.

If they want to follow the crowd, LET THEM.

If they want to judge or misunderstand you, LET THEM.

If they act like they can live without you, LET THEM.

If they want to walk out of your life and leave, hold the door open, AND LET THEM.

Let them lose you. You were

never theirs, because you were always your own.

So let them.

Let them show you who they truly are, not tell you.

Let them prove how worthy they are of your time.

Let them make the necessary steps to be a part of your life.

Let them earn your forgiveness.

Let them call you to talk about ordinary things.

Let them take you out on a Thursday.

Let them talk about anything and everything just because it's you they are talking to.

Let them have a safe place in you.

Let them see the heart in you that didn't harden.

Let them love you.

And by the way...This poem works the other way...

Some of us are so conditioned NOT to accept love we don't know how to and keep attracting this same kind of person and keep pushing love away...

Some of us don't know how to JUST LET THEM love us..

If they want to choose you, LET THEM.

If they want to give you their time, LET THEM.

If they are okay with putting you first, LET THEM.

If they are showing you who they are and not what you perceived them to be, LET THEM.

If they want to make you their world, LET THEM.

If they don't want to judge you or misunderstand you, LET THEM.,

If they act like they can't live without you, LET THEM.

If they don't want to leave

you and walk out of your life, stop holding the door open for them to leave, and LET THEM.

Let them show you who they truly are, and then BELIEVE them. Let them actually prove they are worthy of your time.

Let them make the necessary steps to be a part of your life.

Let them earn your forgiveness.

Let them call you to talk about ordinary things.'

Let them take you out on a Thursday.

Let them talk about anything and everything just because it's you they are talking to.

Let them have a safe place in you.

Let them see the heart in you that didn't harden.

Stop rejecting love and "LET THEM LOVE YOU."

**Hate no one,**  
no matter how much  
they've wronged you. Live  
humbly, no matter how  
wealthy you become. Think  
positively, no matter how  
hard life is. Give much,  
even if you've been given  
little. Forgive all. especially  
yourself and never stop  
praying for the best for  
everyone.

**A bad attitude**  
is like a flat tire.  
You can't go  
anywhere until  
you change it.

As long as you feel  
pain, you're still alive.  
As long as you make  
mistakes,  
you're still human.  
And as long as you  
keep trying,  
there's still hope.

**Self-control**  
is strength. Calmness is mastery. You  
have to get to a point where your mood  
doesn't shift based on the insignificant  
actions of someone else. Don't allow  
others to control the direction of your  
life. Don't allow your emotions to  
overpower your intelligence.

So tonight, as I was cooking, I was thinking  
about life. And I said in my subconscious  
"I've reached my breaking point" I began  
to make cornbread and cracked two eggs  
and then I heard "Now I can use you!"  
You see an egg can't be used until it's bro-  
ken. I immediately found joy in the break-  
ing!! Not everyone will understand this, but  
to those who do, be encouraged.

Yes, you're at your breaking point! Yes, you  
are broken! But that's ok! You are now  
ready to be used.

When I say I'll pray  
for you. It doesn't mean  
I'm forcing my religion on  
you. It means I care for  
you, I love you, and that  
I believe in the power  
of Prayer. Amen!

*It does absolutely no good to pray for the dead. . . . .*

*A church visitor asked the pastor, "Can I request prayer?"*

*"Sure, what do you want prayer for?"*

*"My cousin died last week, pray that God will guide him in the afterlife."*

*The pastor asked, "Suppose you're taking an exam. Should you pray before the exam or after?"*

*"Obviously, before the exam."*

*"Right. When you pray after the exam, it's like you're asking God to change the grades. That is not possible because God is faithful. He cannot deceive the result. Similarly, when we die, the exam is over. We can no longer change our destiny. Hebrews 9:27 says that it is appointed unto men once to die, but after this the judgment. That means no second chance. I'm sorry for your relative. He can no longer be prayed for. That is why people need to understand the Gospel while they are still alive. They had to accept Jesus as Lord and Savior before it was all over."*

*Sinners who believe they can be saved after death will get the greatest shock of their lives. Teach the truth because that's the only thing that can set people free. John 8:32*  
*"And ye shall know the truth, and the truth shall make you free."*

*" . . Be careful who you  
trust. Salt and sugar  
look the same."*
