THEN GOD SHUT HIM IN

I have always thought Noah was safe inside the Ark because he built it according to God's specifications. I thought that perhaps it was the strength of the gopher wood and the soundness of the architecture that ensured that the waters of the flood would not come into the Ark.

But today I encountered a verse that shifted this whole paradigm. Genesis 7:16 says..."The animals going in were male and female of every living thing as God had commanded Noah...THEN GOD SHUT HIM IN...

Don't miss this... even after Noah had built the Ark, it was God Himself who shut him in, in order to shut out the waters of the flood...In other translations this verse says "The Lord sealed them inside."

May the Almighty God seal us inside His Ark of protection.

It is not the fact that you have locked your house that keeps you safe at night, it is not your good driving skills that keeps you safe on the road, neither is it your healthy eating habits that keeps you healthy—only God can shut you in and shut out the devil that is

seeking to devour you.

Father we pray that this year, as we walk into the streets and as we drive on the roads, Oh God shut us in. Father we pray for our children that in the midst of dangers and molesters... You will shut them in, keep out the flood waters of abuse, rape, murder, accidents, diseases and untimely death...Oh God shut us in, shut us in your Ark of compassion...

May GOD SHUT US IN AS WE OBEY HIM AND TRUST IN HIS WORD. Amen!

Faith doesn't always take you out of the problem, Faith takes you through the problem. Faith doesn't always take away the pain, Faith gives you the ability to handle the pain. Faith doesn't always take you out of the storm. Faith calms you in the midst of the storm. Amen

There's a lesson in a pan of homemade butter-milk biscuits.

If you take 2 cups of self rising flour alone it doesn't taste good. And it would be to much to try to eat it alone. Then take a half cup of Crisco, no one would dare eat that alone. Add 1 cup of buttermilk. Some do enjoy drinking it by itself. Add a pinch or 2 of salt. Not many just pour salt in their mouth. Then the 1/4 cup of butter that goes on top. We are not about to just drink melted butter. And none of us want to be placed in a hot 450 degree oven.

But when you take that flour, you work in your Crisco. Then add your buttermilk and pinch of salt. Put it in a hot skillet and pour melted butter on it. Place it in a 450* oven. What comes out is a delicious, flaky delight.

You see our life is like that. The ingredients that we get at times are hard to digest. And each aspect within itself may not seem appealing to the eye. But when God takes it all and mixes it together. It comes together and works for our good.

So no matter what stage you're in right now. If your ingredients are being gathered one by one. Or you may be in the mixing process. You might be in your time of extreme heat! Just trust God's process and plan.

Romans 8:28

And we know that all things work together for good to them that love God, to them who are the called according to his purpose.

*Pray not because you
need something,
but because you have
everything to be
grateful for.*

**Sometimes you just
have to stop worrying,
PRAY about it, and
Trust God to do what
only He can do.**

- Did you know that a tablespoon of honey is enough to keep a person alive for 24 hours?
- Did you know that one of the world's first coins featured the symbol of a bee?
- Did you know that honey contains living enzymes?
- Did you know that honey contains a substance that helps the brain function better?
- Did you know that honey is one of the few foods on earth that can sustain human life on it's own?
- Did you know that bees saved people from starvation in Africa?
- Did you know that propolis, produced by bees, is one of the most powerful natural antibiotics?
- Did you know that honey has no expiration date?
- Did you know that the bodies of the world's greatest emperors were buried in golden coffins and then covered with honey to prevent decomposition?
- Did you know that the term "honeymoon" comes from the tradition of newlyweds consuming honey to boost fertility after marriage?
- Did you know that a bee lives less than 40 days, visits at least 1,000 flowers, and produces less than a teaspoon of honey, but for the bee, it is the work of an entire lifetime?

5 Christian facts that hit deep

GOD DOESN'T TELL US TO
UNDERSTAND. HE TELLS US
TO TRUST HIM.

Proverb 3:5-6

IF YOU'RE WORRIED ABOUT
IT, THAT'S A SIGN YOU NEED
TO PRAY ABOUT IT.

Philippians 4:6-7

EVEN IF OTHER PEOPLE
LEAVE YOU, GOD WILL
NEVER ABANDON YOU.

Hebrews 13:5

GOD'S TIMING IS
BETTER THAN YOUR
TIMING.

Isaiah 55:8-9

GOD KNOWS WHAT'S BEST
FOR YOU. TRUST THE PLAN.

Jeremiah 29:11

God didn't remove the Red Sea...
He parted it. He isn't going to
remove the situation but He will
make a way through it. Trust that
God is always on time. Even
when we think He is too late.
Amen.

I don't walk
away to teach people
a lesson. I walk away
because I finally
learned mine.

You can't create chaos
in the lives of others
and expect peace
to come to yours.

No matter what they did
or how you feel,
causing hurt to others
will never bring healing to you.

Life doesn't allow us to go
back and fix what we
have done wrong in the
past, but it does allow us
to live each day better
than our last.

We don't know what
tomorrow may bring . So don't stay
angry for too long. Learn to forgive
and love with all your heart. Don't
worry about the people that don't
like you. Enjoy the ones that
love you.

THE BEST POST I'VE EVER SEEN ...

Me: Okay, God, here's the thing. I'm scared. I'm trying not to be, but I am.

God: I know. Want to talk about it?

Me: Do we need too? I mean ,you already know.

God: Let's talk about it anyway...We've done this before. (waiting patiently), unhurried, undistracted, never annoyed.

Me: Okay. So, I'm afraid I'll do everything I can to protect my family and it won't be enough. I'm afraid of someone I love dying. I'm afraid the world won't go back to what it was before. I'm afraid my life is always going to feel a little bit unsettled.

God: Anything else?

Me: EVERYTHING ELSE.

God: Remember how your son woke up the other night and came running down the hall to your bedroom?

Me: Yes.

God: You were still awake, so when you heard him running, you started calling out to him before he even got to you...remember? Do you remember what you called out to him?

Me: I said, "You're okay! You're okay! You're okay! I'm here."

God: Why did you call to him? Why didn't you just wait for him to get to your room?

Me: Because I wanted him to know that I was awake, and I heard him, and he didn't have to be afraid .

God: Exactly., I hear you, my child. I hear your thoughts racing like feet down the dark hallway. There's another side to all of this. I'm there already. I've seen the end of it. And I want you to know right here as you walk through it all, you're okay. I haven't gone to sleep, and I won't.

Me: (crying) Can we sit together awhile? Can we just sit here a minute before I go back to facing it all?

God: There's nothing I'd love more...

"Even a child is known by his doings, whether his work be pure, and whether it be right."

Proverbs 20:11
