HOSPITAL REGULATIONS

Hospital regulations require a wheelchair for patients being discharged. However, while working as a student nurse, I found one elderly gentleman already dressed and sitting on the bed with a suitcase at his feet, who insisted he didn't need my help to leave the hospital.

After a chat about rules being rules, he reluctantly let me wheel him to the elevator.

On the way down I asked him if his wife was meeting him.

'I don't know,' he said. 'She's still upstairs in the bathroom changing out of her hospital gown.'

CHORES

When our lawn mower broke and wouldn't run, my wife kept hinting to me that I should get it fixed. But somehow I always had something else to take care of first, the truck, the car, playing golf, always something more important to me.

Finally she thought of a clever way to make her point. When I arrived home one day, I found her seated in the tall grass, busily snipping away with a tiny pair of sewing scissors.

I watched silently for a short time and then went into the house. I was gone only a minute and when I came out again I handed her a toothbrush. I said, 'when you finish cutting the grass, you might as well sweep the driveway.'

The doctors say I will walk again, but I will always have a limp...

I fell asleep in
church, then I heard
"stand up" so I
stood up and people
clapped, the pastor
said who else will
give \$2000

The danger of falling asleep in church

Never limit your prayers
because you think
you're sinful and
undeserving. You're
not praying
because of who you
are – you're
praying because of
who He is.

All the forces of darkness
cannot stop what God
has ordained.

Isaiah 14:27

*"For the LORD of hosts hath purposed,
and who shall disannul it? And his
hand is stretched out, and who shall
turn it back?"*

The storm that was
Sent to break you is
Going to be the storm
That God uses to
make you.

Psalms 121:7

*"The LORD shall preserve
thee from all evil: he shall
preserve thy soul."*

You might not realize it,
but God blocks the
devil's plan all the time.
If you feel that God is
protecting you, Give Him
Praise. Amen

Mary Magdalene had SEVEN demons. Seven, Sis was walking around like a whole haunted house And yet she was the first to see the empty tomb.

The woman at the well? Married five times and still flirting in the heat of the day. And yet, she's the first person Jesus ever told, "Hey, I'm the Messiah," Not a priest, Not a king. A woman with a past and a pitcher.

Let that sink in.

So before you disqualify yourself because of what you did, who you were, or what they still call you behind your back—remember this:

Your past doesn't cancel your purpose. Your past points to your purpose.

God isn't intimidated by your mess. He specializes in it. That addiction? That heartbreak? That jail cell, bad relationship, or wild season you barely crawled out of? He uses that to reach the people still stuck in it.

And to the ones sittin' on the pew polishin' halos instead of bringing people to the baptism pool... ask them gently:

So... how many folks have YOU led to Jesus this year?

Don't you dare give up on yourself. You haven't gone too far—you're exactly who He came for.

He left the 99 for the 1. And baby, sometimes you are that one.

Life doesn't allow us to go
back and fix what we have
done wrong in the past, but
it does allow us to live each
day better than our last.

FACTS THAT WILL BLOW YOUR MIND

I did not write this but WOW does it speak to my heart!!! Read it, digest it, time waits for no one. Put some color in your gray. "Barely the day started and it's already six in the evening. Barely arrived on Monday and it's already Friday...and the month is already over... and the year is almost over.... and 40, 50 or 60 years of our lives have passed.... and we realize that we lost our parents, friends.. and we realize it's too late to go back. So... let's try despite everything, to enjoy the remaining time. Let's keep looking for activities that we like. Let's put some color in our grey. Let's smile at the little things in life that put balm in our hearts. And despite everything, we must continue to enjoy with serenity this time we have left. Let's try to eliminate the afters... I'm doing it after. I'll say after. I'll think about it after. We leave everything for later like "after" is ours. Because what we don't understand is that: Afterwards, the coffee gets cold, afterwards, priorities change. Afterwards, the charm is broken. Afterwards, health passes. Afterwards, the kids grow up. Afterwards parents get old. Afterwards, promises are forgotten. Afterwards, the day becomes the night. Afterwards, life ends. And then it's often too late. So.. Let's leave nothing for later. Because still waiting to see later, we can lose the best moments, the best experiences, best friends, the best family. The day is today. The moment is now. We are no longer at the age where we can't afford to post-pone what needs to be done right away.

It Looks Like An Eternity, But It's A Short
Trip, Enjoy Life And Always Be Kind.
